

# USER DOCUMENTATION

## (LOGIN & SIGNUP)

### 1. LOGIN

Under Login Form , we have two textfields , username & password.

a) If you are already a member,

Enter your credentials. If the user is a professor , he is directed to the prof's profile page and similarly students will be directed to the student's profile page.

b) If you are not a member,

Click the hyperlink “ [Don't have an account?](#) ” .After this click, you will be redirected to Signup Page.

### 2. SIGNUP

Select whether you are a student or a professor.

a) If you are a professor,

Fill/Mark the following fields

- **Username** (Remember this for future) - If username already exists, you won't be allowed to make a profile with that username as it is unique.

- **Password**- Choose the password for your account. (Remember this to login later)
  - **Confirm Password**- Re-Enter your Password to confirm it. It must be same as earlier.
  - **Full Name** - Your Name and Surname with a space in between
